Dear Ms. Capdiva:

This is to acknowledge receipt of your email to our PSC Website Comments.

I am forwarding your email to our Docketing Department for handling. Your email will become a part of Docket No. 2008-196-E and will be posted on our website under this Docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling

In regards to Docket Case No. 2008-196-E. Our state allows utility companies to make us pay for the reactors they build and then profit from. There is decidedly something extremely out of focus with this picture. Does this mean that we can get SCE&G to pay for our in ground pool we will be putting in and then will profit from when we sell our property?

Sharon
